

## Chippewa Local Schools Building Update

Nov. 16, 2015 – The Board of Education met with representatives from the Ohio Facilities Construction Commission (OFCC) for a presentation concerning the process and next steps that need to be taken.

Nov. 23, 2015 – At their regular meeting, the Board passed resolutions to issue bonds and participate in the OFCC program.

January 2016 – Over the next 4 months, OFCC and the Board of Education will be reviewing and interviewing architect firms and construction management firms to work on our new 7-12 building.
